Rodney Fujita is a Bader Martin principal and director of the firm’s tax practice. He leads the real estate group.

Rod’s work integrates tax planning and preparation with business consulting services for closely held businesses and their owners; including tax and transaction planning, retirement planning, business entity selection, tax-deferred exchanges, stock options consulting and liability protection.

Although Rod works with businesses operating in a broad range of industries, his practice focus includes real estate, professional firms, and wholesale distribution.
