**EDUCATION**

BA IN BUSINESS ADMINISTRATION AND ACCOUNTING, UNIVERSITY OF WASHINGTON

Steven Bishop is a principal in the Bader Martin accounting and assurance practice and director of the firm’s distribution and manufacturing and litigation support practices. He is also a member of the technology and employee benefit plan practice groups.

In the forensic area, Steve has testified numerous times in jury trial, bench trial, arbitration, and mediated matters involving economic damages, accountant malpractice, insurance coverage, and fraud.

Steve provides a blend of assurance, tax, business consulting and forensic accounting services to help clients grow their businesses and address problems with a real world, practical approach. To supplement his experience and CPA credential, Steve has obtained additional certifications in management, valuation and financial forensics.

Steve also has work experience as a senior financial executive in private industry. This experience has proven invaluable in serving companies in the areas of financial management and operations, forecasting, and governance.
